SUNBORN
shading solutions

Our Sheer Horizontal Window Shades subtle textures provide a look of casual elegance that is as beautiful as it is affordable. Soft fabric vanes that float between two gentle layers of sheer fabric to gently diffuse light. And unlike any other window treatment available, our sheer shades can be opened, closed or raised with the vanes still open, allowing you to keep your view, and outside air in, too. Available in colors that reflect today's interior styles, our sheer shades come with a choice of headrails and extra wide widths for larger windows.

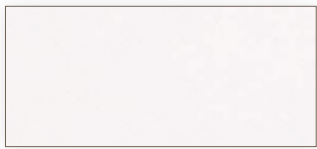

Features

- Available in 3-inch light-filtering vanes
- Position the shade vanes open, closed or anywhere in between for ultimate privacy control
- 100% polyester fabric can be spot or ultrasonically cleaned
- Perfect window shade for larger windows, sheer horizontal shades accommodate widths up to 114" and lengths up to 132"

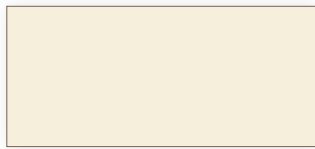

Light Filtering

Color and texture swatches may vary slightly from actual materials. Please refer to sample deck for exact color match.

Hardware and Options

Features your choice of headrails, including:

- Custom Metal Roller head rail: Hardware fits beautifully beneath cornices and top treatments. A bead chain raises and lowers the shade.
- Ultra-Sleek head rail: As the name suggests, this hardware reducing the light gap between the shade and the window frame for a clean and seamless visual transition
- Color-coordinated aluminum headrail: Coordinates with our collection of fabrics
- Deluxe headrail: This is a white aluminum rail with your choice of color-coordinated aluminum or fabric inserts
- Door Styles: Designed exclusively for French doors, transoms and sidelights, our hardware eliminates the bulky headrail for a clear view.
- Motorization is available for select headrail designs
- Continuous cord lift for smooth operation
- 100% polyester for easy cleaning
- Choice of custom headrails
- Available in light filtering or room darkening
- Ultimate privacy control
